PROFILE

Web developer combining **interface design** with **React, Next.js and Node.js**. Experience includes authentication flows, a developer blog platform and restaurant project coordination, supported by data structures and algorithms.

CORE SKILLS

Design: Figma, wireframes, prototypes, user flows, responsive UI **Frontend:** HTML5, CSS3, JavaScript, React, Next.js

Backend & data: Node.js, Express.js, MongoDB, Firestore, Redis, Kafka, SWR **Languages:** C/C++, JavaScript, Python

EXPERIENCE

Web Development Intern | ARYA Tech Company
Built **login and registration interfaces** with HTML, CSS, JavaScript, Node.js, Express.js and MongoDB; integrated data-protection measures and tested authentication functionality.

Restaurant Project Coordinator | B.Tech Restaurant Wale
Coordinated renovation from concept to completion, managing **budget, procurement and scheduling**; worked with contractors and vendors on quality, delivery and layout improvements.

DEVELOPMENT PROJECTS

Bits-Of-Code | Developer Blog Platform
Built with Next.js, Node.js and Markdown; **static site generation**, Firestore authentication and user data, and SWR data fetching.

ARYA Tech | Login & Registration System
User-friendly account flows connected to an Express.js backend and MongoDB storage.

B.Tech Restaurant Wale | Restaurant Website
Responsive food categories, menu and contact content. View live website

UI/UX PORTFOLIO CONCEPTS

Eight **self-initiated interface studies**; visual concepts and proposed flows, not deployed client products.

Orbit | Project Dashboard
Summary metrics, activity charts and clear workspace navigation.

Pulse | Habit Tracker
Daily habits, progress rings and encouraging feedback.

FlowPay | Mobile Banking
Account overview, transfers and spending insights.

Learnly | Learning Experience
Course structure, lesson navigation and progress.

Form Studio | E-commerce
Editorial product storytelling and collection discovery.

Atlas | Travel Discovery
Visual destinations, trip categories and simple discovery.

Crave | Food Ordering
Dish discovery, basket totals and order tracking.

CareSpace | Appointment Booking
Specialty search, calendar selection and appointment summaries.

EDUCATION

IES University | Graduation | **CGPA 7.37**
S R P College | Class XII: 63% **R A High School** | Class X: 61.2%
